## Differentiators

- **Client Experience:** Engaged by Fortune 500 companies, government agencies, and Am Law 100 firms, including Systemically Important Financial Market Utilities, DLA Piper, Federal Aviation Administration, Federal Home Loan Bank, Johnson & Johnson, The Bank of Tokyo/MUFG Bank, Lenovo, PhRMA, and the U.S. Defense Leadership Forum.
- **Leadership in Cybersecurity and Risk Management:** Matured enterprise risk and vendor assessment programs for Fortune 100 companies including outward facing attestations, shaped global risk assessment frameworks including Shared Assessments, collaborated with the Bank Policy Institute/Cyber Risk Institute to deliver end-to-end HSEEP Tabletop Exercises, and developed original tests and methodologies, including for the certification of DoD contractors to CMMC. Our expertise includes creating and implementing global programs and information security policies aligned with ISO 27001, NIST, and ISO 22301, helping the Federal Reserve Bank of New York achieve ISO 27001 certification, and establishing Health ISAC's first third-party vendor assessment service, recognized by the U.S. Department of Homeland Security and the U.S. Department of Health and Human Services.
- **Litigation & Expert Witness Services:** Served as expert witnesses in high-profile cases, including testifying against Meta Platforms. In 2023, our CEO, Sameer Somal, was requested in defense of President Donald J. Trump. Our expertise spans artificial intelligence, economic damages, intellectual property, marketing, and source code technology.
